Finding the meeting room

The building is divided into “bays” and each bay has its own entrance. We meeting in a conference room in **Bay A**. The entrance to Bay A located near the southeastern corner (i.e.,

near the intersection of W. Main and 9th St). The image below shows the entrance to Bay A. There is a letter “A” on the wall to the left of the entrance just beneath the light (highlighted with a yellow arrow in the image.)

The meeting room (A216) is located on the 2nd floor. There is a staircase to the left of the building. If you prefer to use an elevator, pass through the door on the side of the entryway that is opposite of the building’s entry door.

On the second floor, pass the door that is to the right; A216 is to the immediate right on the other side of that door.
